Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Maintenance Drug List for Sound Health and Wellness

Created: 5/12/2009

This list includes those drugs and products that Medispan designates as maintenance, as well as those products that Sound Health & Wellness Trust Fund specifies as maintenance drugs. Thus, this is a general list and must be interpreted in terms of specific Sound Health and Wellness Trust Fund coverage. Tier 3 are those drugs that will have two copays for up to 90 days at the mail at retail program. Restricted distribution drugs are only dispensed at specialty pharmacies not in the network unless indicated.

Product Name	Therapy Class	Rx/OTC Tier 3 Restricted Distribution
